Online MBA Admission Requirements and Application Materials

Transform your career by applying to the online MBA. Choose from three optional specializations—the MBA in Advanced Business Strategy Using AI and Analytics, the MBA in New Product Management or the MBA in Education Leadership.

PREREQUISITES

Those applying to the online MBA program at Milwaukee School of Engineering must meet the following requirements:

- Bachelor's degree from an accredited university
- Three years of full-time work experience is preferred
- For the MBA in Education leadership, must work as an administrator or leaders in a K-12 environment
- *International students can view additional admissions information by clicking **here**.*

APPLICATION PROCESS

The application process is designed to be as easy as possible. Please review the following to understand how to apply for the MBA program:

1. Complete the **online application form**
2. Submit two letters of recommendation
   - *If employed, at least one of the letters should be from the applicant's employer or manager*
   - *For the MBA in Education Leadership, one letter should come from principal or superintendent*
3. Official transcripts sent directly from all colleges and/or universities previously attended
   - *If undergraduate GPA is below a 2.80 (on a 4.0 scale), GMAT or GRE score must be submitted*
4. Submit a current resume that details professional experience
   - *For the MBA in Education Leadership, include details of K-12 experience*
5. International students will be required to submit additional documentation
6. For the MBA in Education Leadership, be willing to participate in an in-person or virtual interview

Materials for all programs should be submitted to:
